SPHS...HOME OF CHAMPIONS

And The Beat Goes On...!

Just as a year ago, South Point High School is still proudly called "the home of the champions."

During the past two years alone, Raider and Raiderette teams have captured no less than four WNCHSAA sports titles.

They're strong in all sports and this year's football team under the able guidance of Jim Biggerstaff should be strong in the running for the Southwest flag, and even possibly larger dreams, such as a fifth WNCHSAA crown.

Last year in Raiderland, South Point won clear-cut WNCHSAA titles in girls basketball and baseball and the football team advanced into the playoffs with a rebuilding team before losing out to eventual WNCHSAA champ Shelby.

Last year's grid team had an 8-2-1 record, the only two losses coming at the hands of Shelby and the tie against East Gaston.

The Red Raider footballers under Biggerstaff the past four years own a proud record of 34 wins, just eight losses and two ties. In the rebuilding year of 1969, the Raiders went 5-5.

Then came marks of 9-1, 12-0-1 and 8-2-1. Biggerstaff is a Belmont native who played on the unbeaten Belmont team of 1953 which finished 10-1.

After graduating from Western Carolina, Biggerstaff coached for 10 years at Rockingham before returning to Belmont, where he was a three-sports prep standout.

Among Biggerstaff's honors after the '71 season was Southwest Conference coach-of-the-year and by a vote of North Carolina sportscasters was named coach-of-the-year and was sportsman-of-the-week on WBTV.

Jim is married to the former Joyce Wilson and they have two lovely children, Jamie and Jeff.

Joining Biggerstaff on the best coaching staff in North Carolina prep sports are Earl Lingafeldt, Phil Tate and Robert Keaton.

Tate's baseball team won the WNCHSAA crown last spring and Tate was coach-of-the-year for the third year in a row in baseball. His baseball teams have now won two consecutive SWC titles and one WNCHSAA crown.

Lingafeldt's girls basketball team has been the terror of WNCHSAA circles three years running. The Raiderettes have won an unbelievable 59 of their past 66 games under the redhead, including 23-1 and 24-2 records the past two years.

Although the Raiderettes lose All-Staters Shirle Hart and Beth Beaty, along with the Hoover twins, Sara and

Elaine, they should be in the running for a record-breaking third consecutive WNCHSAA crown with the likes of C.B. Brannon, Tracie Cone, Cheryl Mann, Pam Smith and Joni Horne returning, just to name a few.

Thus the Raiders are powerful in all sports and they are building in the minor sports too.

Robert Keaton, in his second year on the South Point staff after a brilliant record at Belmont Junior High, saw his Raider basketballers finish with their best record in 10 years last season and most of his players return.

Biggerstaff's rebuilding but surprising team of last year scored 280 points while surrendering just 93. The great '71 team, which Biggerstaff claims was the best high school team he's ever seen, scored a whopping 458 points for a 35.2 average and held the opposition to just 88 points for a 6.8 average.

Included among last year's victories was a smashing 72-0 sweep past Chase. The Raiders this year will play six games at beautiful Lineberger Stadium and four away.

Among the returning stars, just to name a few, are backs Wayne Fewell, Dennis Grier, Doug Davis and Jerry Auten and linemen Jimmy Stowe, Roger Parker, Steve Champion and Tim Williams.

Grier, Stowe, Fewell and Parker are all considered top college prospects.

Although he's coached several youngsters who have made all-conference, Biggerstaff has coached one All-American in Scott Crawford, running star of the '71 team.

"Everybody has as their final goal a championship," said Biggerstaff. "We have been proud of our record the past two years in particular and we just hope with the right bounce of the football we'll be in it again this year."

Biggerstaff's teams play exciting football. You'll love this year's edition too.

That's why Duke Power has been working on environmental protection for nearly 50 years.

Today our staff of scientists includes chemists, foresters, a fisheries biologist, a health physicist, a public health sanitarian, a meteorologist and others.

To learn how they're helping you, ask for our booklet on the environment. It's free at your local Duke Power office.
