BIG RED

BOOSTER CLUB

SOUTH POINT HIGH SCHOOL

The Big Red Booster Club is dedicated to the promotion and support of all athletic sports at South Point High School.

Our goal is to help fulfill the needs of our Athletic Department so that they may continue to offer and promote excellence in the athletic program.

The funds of the Big Red Booster Club has furnished things like: uniforms for baseball, warmups for basketball, shirts for softball, sweats for tennis, renovation of the baseball field, soccer balls, and radios for football games. There are many other ways in which the Booster Club has supplemented the Athletic Department's budget that, we can't list them all. Booster Club members work in the concession stands and assist the coaches in maintaining the athletic facilities. Also sponsored by the Booster Club were sports banquets to honor our athletes.

We would like to express our thanks to all who have contributed their time and monies. With the community's support and the participation of the Big Red Booster Club Members, we can continue to promote and better develop our young athletes at South Point High School through an outstanding Athletic Department.

Thanks,

Big Red Booster Club

Welcome to the home of the South Point Red Raiders where spirit, pride, and tradition are the bywords of a school in which the community takes pride.

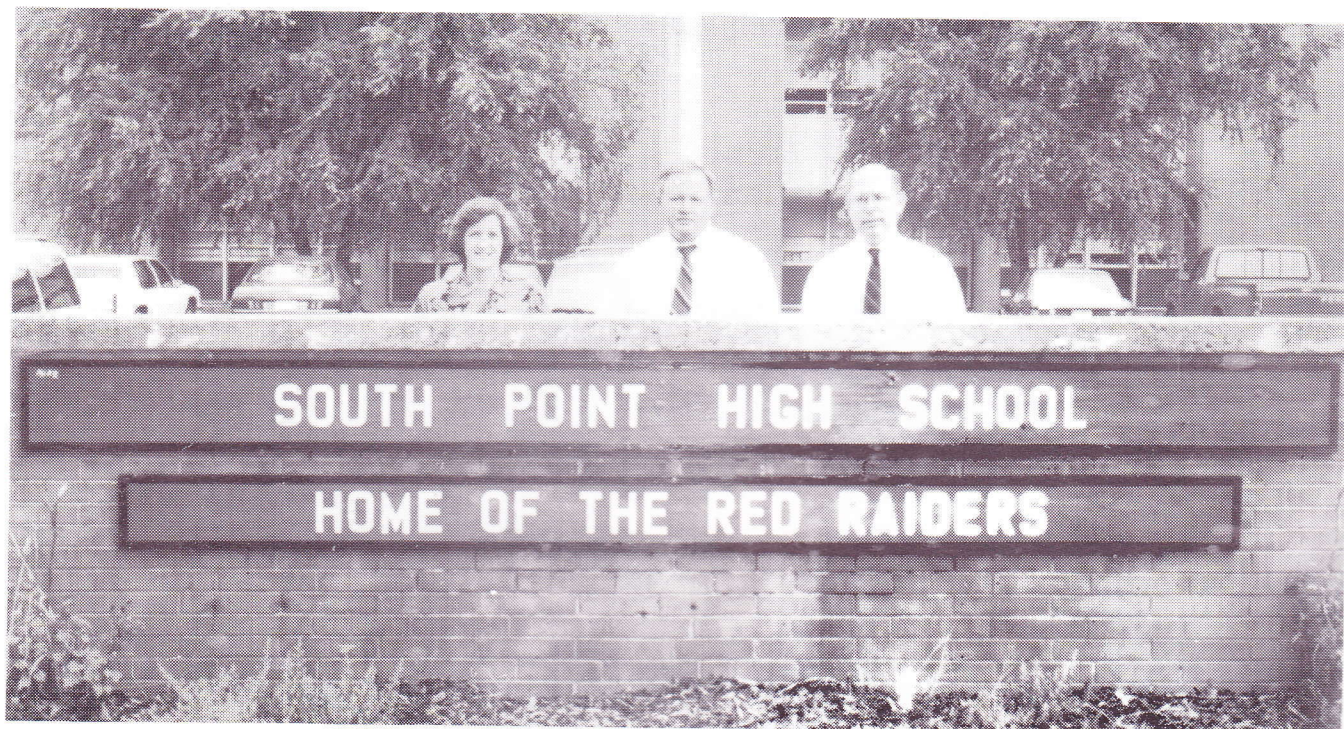

The ultimate purpose of education is to help each student become an effective citizen in a democracy, and there is no better place to learn to accept the responsibilities and obligations of good citizenship which help us to participate successfully in the world of tomorrow than on the playing field.

The success of our program here at South Point will be in direct proportion to your efforts as parents and friends at South Point. We hope that you will continue to participate in the varied activities that have been planned for our students. Without your continued financial, moral, and physical support we would not be able to offer our youth desirable experiences.

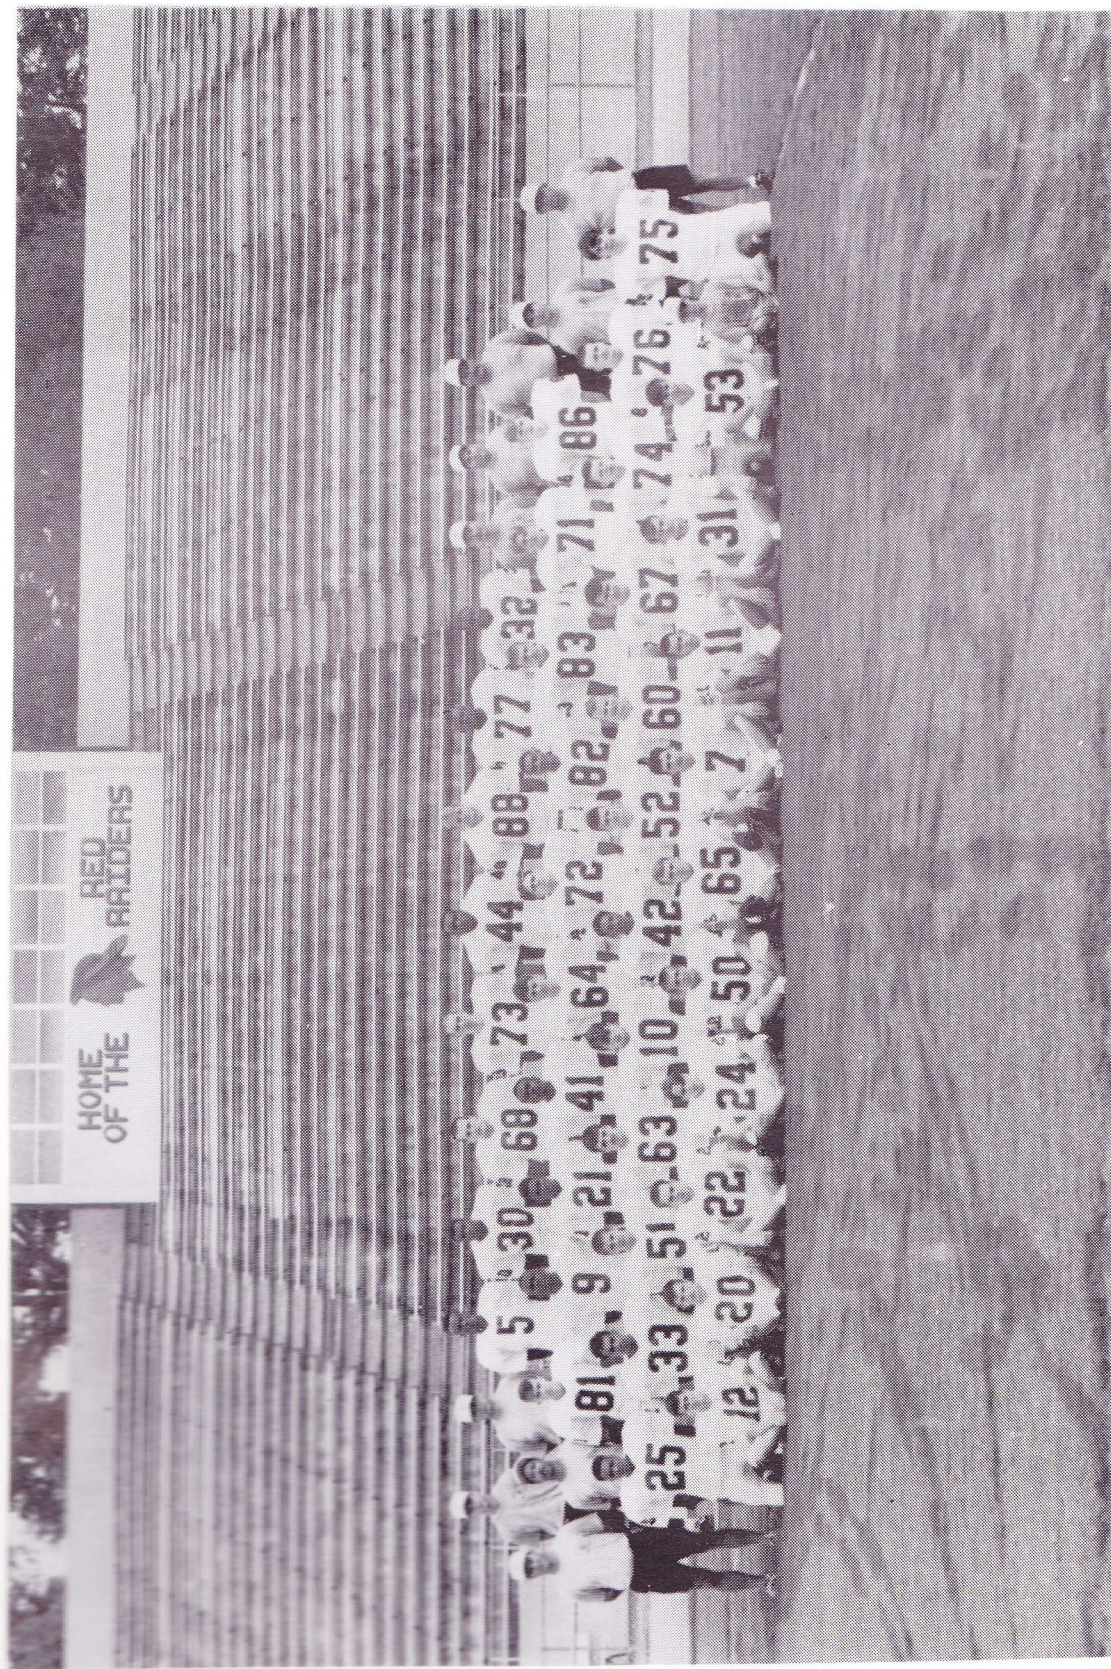

I am sure that you as a parent can see the need for and the results of extra-curricular activities in the lives of our young people. Academics will continue to be our primary purpose here at South Point, but it is a fact that a well-rounded student is one who takes part in many student activities. That student is more likely to succeed in his future endeavors.

South Point is very fortunate to have community support "second to none." Thank you again for your wonderful support. We could never hope to have a better support team than you. We appreciate you, and our staff and students appreciate you.

This year the Big Red Booster Club would like to salute Mr. Don Hyde. Don is married to Nancy Buckner Hyde. They have three children. Captain Kent Hyde of the United States Army is a Citadel graduate and is stationed at Camp Stanley in Korea. Lee is a graduate of Western Carolina and a salesman for McKinney's Jeep. Their daughter Christy now resides in Myrtle Beach, S.C. They are very active members of South Point Baptist Church.

For Several years Don was the Big Red Booster Club President. During his tenure as president, the club grew by leaps and bounds. He enrolled the whole Hyde clan to help man the concession stand. The raider rack (the helmet) and the grill were built by Don's brother Ted. The current weight room that has been used since 1984 is a direct result of Mr. Hyde's tenure in office.

Much of the equipment was made by Ted to save the Booster Club money so we could get more for the dollar and also have better equipment. It's a first class weight room and many athletes have benefited from it over the years.

Ron Foulk, Joe Steele, Mickey Lineberger, and Don Hyde made up a committee to renovate the baseball field. The Booster Club, R.L. Stowe Mills, The Army National Guard and many people from the community made it possible for the committee to add new dug outs, a new concession stand, press box, bath rooms, and new bleachers with concrete pads.

He and Art Shoemaker and several other played a big part in all of the new additions or improvements that have taken place since then. A lot of people across the state feel that South Point High School is the home of the finest high school baseball field in the state. Much of the credit should go to Mr. Don Hyde.

Mr. Hyde gives of his time to help maintain the field. You may ride by on Saturday afternoon and see him weeding or working on the new bull pen area. He recently retired and spends countless hours making sure the Raiders have the best of the best.

He is very caring person who loves to be around young people. Don means a great deal to our athletes. He is a great encourager. The players know that he cares about them and wants them to be successful. It would be impossible to count the number of long distance phone calls he has made or miles he has traveled to see one of them play in college. At the beginning of this article I said Don and Nancy have three children. Well, I guess I'll have to retract that statement. Over the years many, many children that wore the red and black have been touched by a man who cares.

I would not begin to list the financial gifts he and Nancy have given to South Point High School. The list would be phenomenal.

Here is a man that gives his time, wisdom, support, money and love to the athletic program of South Point High School. He is Always Behind the scenes and never wants any credit. He is the living definition of a Red Raider Booster !

Thanks Don, for your many years of Service to South Point and the young people that attend. Over the years you have made a lot of difference in the lives of the young people in our community, and from the bottom of our hearts we would like publicly to say **THANK YOU !**

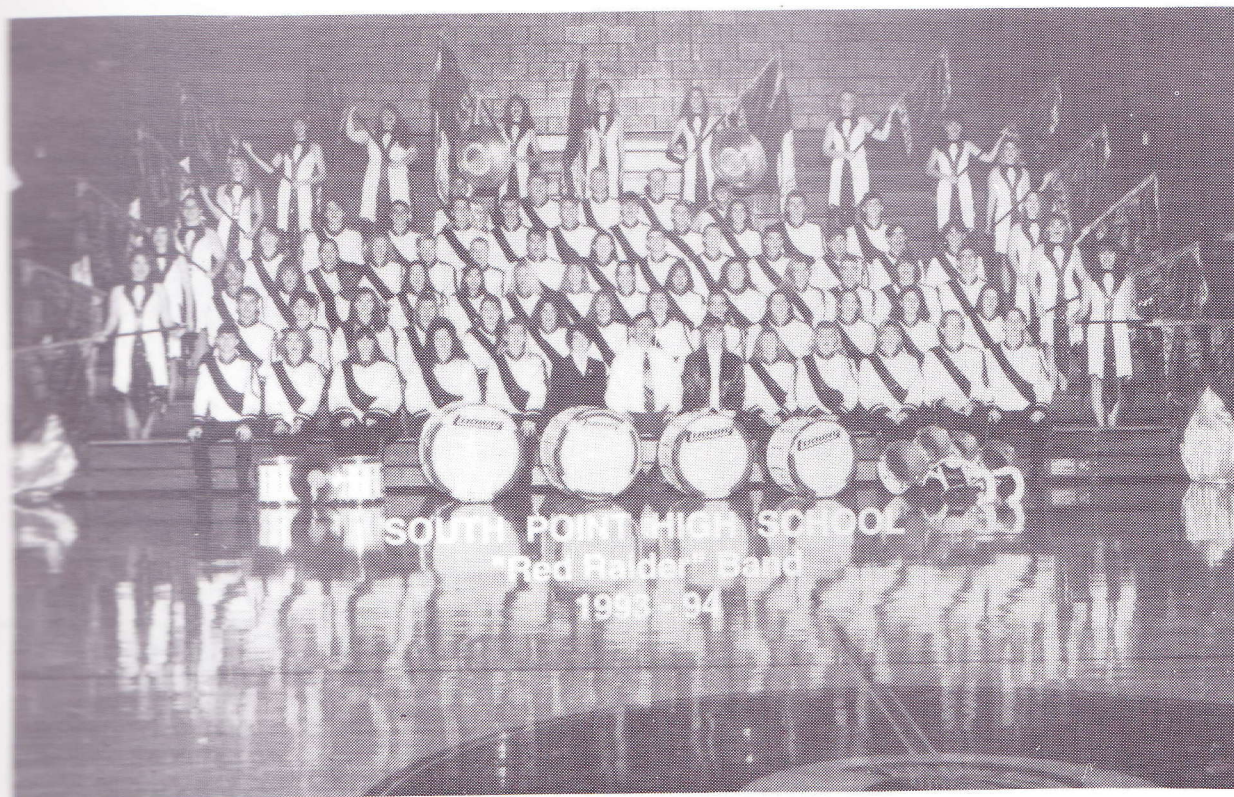

Our Thanks To The SOUTH POINT LIFESAVING CREW For Being Present At All Our Home Football Games

SHRINE BOWL AND EAST-WEST GAME

Since Belmont High School and Cramerton High School consolidated to form South Point High School in 1969, several of the Red Raider stars have played in prestigious post-season games.

One of the highest honors a high school senior football player can attain is to be selected to play in the Shrine Bowl football game each December in Charlotte. It pits 35 of the finest North Carolina seniors against a similar group from South Carolina.

The attraction benefits the crippled child, and for a player to be chosen to the team is truly a player's dream turned into reality. The East-West football game in Greensboro, played each July during the coaches clinic there, is also a prestigious honor. South Point has been represented by the following:

SHRINE BOWL GAME

1971—Scott Crawford
1973—Jim Stowe
1974—Roger Parker
1989—Willie Strain
1994—Matt Butler

NORTH-SOUTH GAME

The Advantages Of Natural Gas Shouldn't Shock You.

It should come as no surprise that natural gas is the best method to heat water, cook your meals and warm your home. It heats water twice as fast as electricity for half the cost, and can cut your heating bill by up to 40%. Clean, safe, efficient natural gas. It's something you can feel good about using. For more information, call your local Public Service Company office.

A WINNING TEAM IS MADE UP OF MANY INDIVIDUAL EFFORTS.

Individual effort. That matters a great deal. Because there cannot be a winning team unless every member gives whatever it takes. So while the glory may go to the team, the credit must go to each individual. One by one by one.

*When it comes to service,
everything matters.®*
