# BIG RED BOOSTER CLUB

**South Point High School  
906 South Point Road  
Belmont, North Carolina 28012**

The Big Red Booster Club is dedicated to the promotion and support of all athletic sports at South Point High School.

Our goal is to help fulfill the needs of our Athletic Department so that they may continue to offer and promote excellence in the athletic program.

The funds of the Big Red Booster Club has furnished things like: uniforms for baseball, warmups for basketball, shirts for softball, sweats for tennis, renovation of the baseball field, soccer balls and radios for football games. There are many other ways in which the Booster Club has supplement the Athletic Department's budget that, we can't list them all. Booster Club members work in the concession stands and assist the coaches in maintaining the athletic facilities. Also sponsored by the Booster Club were sports banquet to honor our athletes.

We would like to express our thanks to all who have contributed their time and monies. With the community's support and the participation of the Big Red Booster Club Members, we can continue to promote and better develop our young athletes at South Point High School through an outstanding Athletic Department.

Thanks,  
Big Red Booster Club

# SCHOOL PROFILE

## School History and Characteristics

South Point High School is a public suburban high school of grades 9-12. The Southern Association of Colleges and Schools has accredited the school since 1974. The birth of South Point High School required a transitional period of 6 years. The 27 acres of land was purchased in 1962. In 1963, the first plans were designed for a 2-wing facility. In September of 1964, 748 students and 30 teachers returned to "Belmont High School" in its new location: the cafeteria was completed in November. The new school brought new opportunities for the students such as mechanical drawing, art, chorus, school yearbook/newspaper, and distributive education. In 1969, Cramerton High School consolidated with Belmont High School to form its present name of South Point High School. Enrollment increased to 900 students. In 1997, Gaston County made the transition from Junior High to Middle School; the 9<sup>th</sup> graders increased enrollment to 1100 students. New additions were made to the school in 1995 and 1999. The latest improvements have been new stadium ticket booths, additional fencing, and a distance learning lab. Today our campus records indicate 33.7 acres and 156,485 square footage.

The school day begins at 7:55am and ends at 2:55pm. We operate on a block schedule of 4 periods. Third period is extended for four lunch sessions. A cafeteria staff of 13 provides hot and cold breakfast and lunch each day. Two semesters make up the school year, with 18 weeks in each semester with a total of 180 days. Gaston County Schools provides bus transportation to and from our school totaling 7 buses. Nearly 600 students are transported from our school hub; 250 of which are South Point students. The majority of our students drive alone or carpool.

South Point is continually striving to ensure a safe learning environment for its students and faculty. A Safe School Plan is in place and includes the following procedures: bomb threats, tornado and fire evacuations, lockdowns, sweep team, and first responders. Staff and faculty training is held several times each year for safety and violence prevention.

South Point's faculty consist of 62 instructional teachers, 4 administrators (one principal and 3 assistants), and 46 support personnel who includes bus drivers, cafeteria workers, a career development coordinator, custodians, guidance counselors, media specialists, a school nurse, office assistants/secretary, security personnel, a social worker, teacher assistants and a distance learning technician. 75% of administration and 53% of instructional staff have 10 or more years of experience in education. A strong characteristic is that 37% of our instructional personnel have advanced degrees. Faculty and Staff are very involved with the operation of South Point. Each department is represented by a department chair. Faculty and staff serve on 15 committees and provide supervision for after-school events on and off campus. See pages 47-50 for these summaries.

South Point offers many extra curricular activities to its students, many of which support the curriculum. These include Model UN, Moot Court, DECA, Environmental Club, Hi-Q Team, Pep Club, Spanish Club, FBLA, ROTC Drill, Beta Club, Student Council, HOSA, Junior Heart Board, FCCLA, French club, National French Honor Society, Bible Club, FTA, Drama Club, FCA, Interact Club, SAVE and the National Vocational Honor Society. In addition, SPHS offers 13 sports on both the junior varsity or varsity levels.

### School Awards and Honors

## A Note from the Principal...

On behalf of the students, staff and administration of South Point High School, it is my pleasure to extend to you a warm welcome to Lineberger Stadium, home of the South Point Red Raiders where spirit, pride and tradition are our bywords.

As parents, teachers, and friends, we spectators are an invaluable part of the educational process. We would encourage you to be a true sportsman, one who abides by a code of fair play, one who conforms by the rules and provides leadership by precept and example.

South Point High School is very fortunate to have community support that is second to none. Our Big Red Booster Club solicits your continued financial, physical and moral support to the athletic programs, as they strive to assist us in providing worthwhile experience for our students.

I want to thank you our students, staff, and friends of our school who have worked toward making this football game an exciting and enjoyable event. South Point spectators can be assured that their time with us will be well spent. We appreciate you and thank you for joining us this evening.

*Sheri Little*  
Principal
